REGARDING VENDOR PLACEMENTS

- We encourage vendors to request a preferred space, but we cannot confirm placement until after the February 28th priority placement deadline
- Booths F1-F40 are for Food Vendors only
- Booths 300-310 & 600-612 are for Corporate Vendors only
- A two-sided booth will have space in one side for customers to approach from either the front or the side (gap between booths)
- Corner booths are located at the end of a line of booths and provide the highest visibility
- Vendors needing electricity will be in the booths shaded with red
- Final booth placements will be determined by the event management
